The Hank Aaron State Trail 5K Run/Walk is adding a Scholastic Summer Running Team category this year! Please consider forming a co-ed scholastic team (18 and under) to participate and compete against other teams. *Option to participate in person or virtually, but only in-person is timed.*

Team Benefits:

- Builds camaraderie and team spirit
- Professionally Chip-Timed event
- Perfect pre-season training activity or “captains” practices
- Non-WIAA event and takes place before the first day of Fall 2021 XC practice (Aug. 16)
- Co-ed and open to anyone 18 and under
- Top 5 finishing times count for Fastest Team award
- Individual times also compete for fastest male and female in your age division (U13, 14-17, 18-24)
- Compete against other competitive running teams such as Performance Running Outfitters
- **Low rate of \$12 available only to scholastic team members and their coach(es)! (T-shirt NOT included)**

The Course: The 21st Annual Hank Aaron State Trail 5K Run/Walk is a flat and fast, chip-timed course that combines urban nature along Three Bridges Park and the Menomonee River. From urban landscape to native prairie, runners and walkers enjoy this beautiful route that ends with a dramatic view of American Family Field in the home stretch. *In 2021, team members have the option to participate virtually on a route of their choice. Virtual participation will not be timed or eligible for timed awards.*
